

Peterson Real Fyre **G4 Series Vented Gas Log Sets**

2008/2009 Sales Information Sheet

Revised 4.1.2008

Each set includes: Special custom fire grate, Ceramic/refractory logs, Special silica sand, Glowing embers, Full size burner pan, Safety damper clamp and an installation kit. Required: A fireplace that can safely and properly burn wood and has gas supplied to it. LP (Propane) sets include vermiculite granules instead of silica sand, LP orifice and safety pilot kit. Specify "P" behind the model number for LP sets and add \$128.00 (list) to the prices below. See-thru sets are also available for most models, call for details and pricing.

Last 2 digits of model number depict set size
