**TRBO 26 and 32 Grills**-Introduced mid-season in 2009 these models have done really well as high-quality opening price point grills. Compare all of the features to the price! These two grills have REAL value! (Available Now)

NEW POS Lid Signage Showing All of the RCS Features in NOW!  
NEW Literature for 2010 will be available 1.1.2010

**The NEW Saber Series EL 30" and 42" Grills** include "Cool New Blue" Led lights and controls. The rear lights have also been repositioned higher in the back of the grill cavity for even better surface-lighting. The Saber series of grills are our best-selling, most-featured models in the RCS line of grills. Priced at just \$2199.00 and \$2699.00 respectively, that's a lot of premium grill without the premium price! (Available 1.1.2010)

**Overall 2010 Pricing Held in Check.** Doors/Drawers & Side cookers each had a \$10.00 (at list) price increase due to heavier packaging and related costs. HOWEVER-We have kept our 2010 pricing the same on many products. With the exception of the EL series of grills the rest of the line of RCS grills have remained the same as well as grill covers and carts. (Effective 1.1.2010)

**New MAPP Pricing effective 1.1.2010 15% off List Prices**
